

## Gask

### Model Gask

Gask is a perfect mix of materials in apparent sensory contrast – glass, steel, brass – which create an ideal blend.

The steel mount has a black matt finish, rough and textured with a strong industrial flavor, and is joined to the diffuser with visible brass bolts.

| Gask   | Light source          | Structure: Metal | Diffuser: Blown glass | Code       |
|--|-----------------------|------------------|-----------------------|------------|
|  | LED E14<br>1 max 15 W | ● Black          | ● Traspresent         | 50620 0000 |
|  |                       | ● Black          | ● Army Green          | 50620 7100 |
