

Volum,  
Design by Snøhetta

Model Volum 42

Volum celebrates the elegance of simplicity with a series of lamps that, in their similar yet intimately different shapes, complement each other in poetic compositions that narrate an all-round illumination, tailored for various functions and uses. Behind its apparent simplicity, the collection designed in collaboration with architectural firm Snøhetta conceals a complex technical achievement, paying homage to the ancient glassblowing technique that gives life to naturally imperfect shapes. The blown glass spheres of the diffuser, available in diameters of 14, 22, 29, and 42 cm, feature a glossy white finish that evenly radiates light.

Volum 42	Light source	Structure: Silicone	Diffuser: Blown glass	Code
	E27 LED T35 Ø max 8,5 cm 1 x 21 W (max 25 W) Ø max 3,34"	Translucent	Polished White	18744 1200
